To Whom It May Concern:

My name is Michael Gibbons. I am very grateful for the First Apostles' Doctrine Church and the Just for Jesus Challenge Homeless Outreach Ministry, for giving me a place to stay and eat, since I was homeless.

The opportunities they give me to grow spiritually and to help others in need, teaches me to forgive and love others through Christ. Bishop Jack Wisor helps a lot of homeless people in the community and other communities by giving food, clothes, shelter – teaching them about Christ.

Also, he teaches different trades like carpentry, rebuilding vehicles, motorcycles, along with daily activities like raking leaves, cutting grass, gathering firewood and maintaining the buildings and property. All of this to help build up the spirits of the homeless.

If the train comes through, it will destroy nature. It will destroy the learning experiences as well. The waters will be ruined from garbage leaking out of the trash trains and trucks.

If it wasn't for Bishop Jack Wisor's church, ministry and the shelter, a lot of people would be homeless or in jail. If the train goes through, all will be lost. Homes for the people in need will be lost.

Thank you for your time in reading this.

Michael Gibbons
